SCHIRMER'S LIBRARY

OVER thirty years ago, the house of Schirmer founded its famous "Library of Musical Classics."

The edition now contains over fifteen hundred volumes of the choicest literature of classical music for voice and many different instruments and instrumental combinations, most of which are not available in any other edition.

Schirmer's Library is not only the most authoritative edition in America, but one of the leading editions of the world.

The prestige of Schirmer's Library is supreme in the United States.

SCHIRMER'S SCHOLASTIC SERIES

THOUGH founded only a few years, Schirmer's Scholastic Series already is accepted as the last word in an edition of modern and contemporary educational works of the highest character.

The series consists of "Music for vocal and instrumental study—from the very easiest to the most difficult."

Most of the volumes are thoroughly original in subject and presentation, while those not strictly novel will be found superior in point of scope and construction to any existent works on the same or similar subjects.

An instructive 85-page catalog, fully classified, of *Schirmer's Library* may be secured free at any music store. Obtain a copy.

A new and complete classified catalog of *Schirmer's Scholastic Series* has just been printed. Your dealer will supply you.
